To Whom It May Concern

Essential Services Worker

Please accept this letter as evidence that this person is a dedicated worker of a Community Information & Support Service involved in the delivery of an Essential Service.

Our sector supports people who are experiencing personal and financial hardship. More specifically, we deliver emergency relief which has been deemed an essential service by State Government MP, Minister Luke Donnellan's office (27/03/2020).

At this challenging time of COVID-19, we are working closely with our paid staff and volunteers to ensure our vulnerable clients continue to receive the support they require.

Should you wish to confirm any information, please feel free to contact me on 0407 670 125.
